

Example Letter: Opposition to Proposed RV Park on Yoder Rd

To: Planning Commission Board

Subject: Opposition to Proposed RV Park on Yoder Road

Dear Planning Commission Members,

I respectfully ask that you deny the proposed RV park on Yoder Road.

Our community is a rural area defined by farmland, open space, and quiet residential living. An RV park would significantly alter the character of the neighborhood and introduce increased traffic, noise, lighting, and commercial activity that are not compatible with the surrounding properties.

Residents are also concerned about road safety, the impact on property values, and the strain on local infrastructure and services. We are worried about the private wells, wetlands, flooding, environmental impacts, sewers, & public safety concerns. Many families chose to live here because of the peaceful rural environment, and this development would diminish the quality of life that currently exists.

We believe this proposal is inconsistent with the character and long-term vision of our community. We respectfully urge the Planning Commission to protect the interests of current residents and deny this application.

Thank you for your consideration.

Sincerely,
